

## **LIMITED PRODUCT WARRANTY DETAILS:**

Our goods come with guarantees that cannot be excluded under Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage for up to 12 months from the date of purchase. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure (defective goods) within 12 months from the date of purchase.

To claim under the warranty you need to return the product to the place of purchase (at your expense) with a valid receipt or other proof of purchase. If you are not able to return the product to the place of purchase you can contact:

EFM Service Department  
61 Belmont Avenue, Belmont WA 6104  
P: 1300 069 336 (1300 0 MYEFM)  
E: [info@myefm.com](mailto:info@myefm.com)

## **EFM REGISTERED WARRANTY PROGRAM**

In addition to a standard 12 month limited warranty, all registered EFM products are also covered by one full replacement warranty of 2 or 5 years, dependent on the product. This registered warranty is against defects in the goods purchased and does not cover damage caused by the incorrect use or installation of the goods, or by modifications, or by accident. To be eligible for the EFM Registered Warranty Program, follow the instructions overleaf.

## **REPLACEMENT WARRANTY REGISTRATION INSTRUCTIONS:**

1. Register your product along with your proof of purchase (receipt) within 14 days at [www.myefm.com/register](http://www.myefm.com/register).
  2. If you have any issues with your registered product during the warranty period, complete the Warranty Claim form, including any images of the fault, at [www.myefm.com/warranty](http://www.myefm.com/warranty).
  3. Once submitted EFM will review your claim and, if approved, will ask you to return your faulty product to EFM Head Office at your cost. Once EFM receives the faulty item, your free replacement product will be sent to you at zero cost within Australia.
- Please Note: Only products registered within 14 days of purchase with a valid receipt are eligible for the EFM Registered Warranty Program.
  - This program covers EFM products only, not devices and/or device parts. The 5 Year free replacement warranty is limited to 1 replacement per verified proof of purchase registration.
  - This warranty is in addition to other rights and remedies of the consumer under Australian Consumer Law for Consumer Electronic Devices and Home Entertainment Products.

## **IMPORTANT INFORMATION:**

- Please read the instruction manual before using this product.
- Do not modify, repair or dismantle the wireless charge pad. Doing so may result in fire, electric shocks or a complete breakdown of the product all of which are not covered under warranty.
- Do not use any diluent or volatile liquids to clean the product surface.
- Do not use the product in a hazardous location.
- The product should be kept in a dry and ventilated environment, do not store in an area of high humidity and/or high temperature.
- Do not use unsupported devices on the wireless charge pad, only devices that support the Qi wireless standard are recommended.
- Do not place foreign objects on the charging pad whilst in use, this may damage both the charging pad and the mobile device.
- Do not cover or obstruct the wireless charge pad's vents, this may lead to overheating and cause damage to the device.

## INSTALLATION INSTRUCTIONS:

1. To secure the arm mount, clean an area of the windscreen where the mount will be placed and attach the suction cup. For the vent mount, press the button on the side of the mount and insert into the car's air vent, releasing the button to secure.
2. Next, insert either the arm or vent mount into the cradle unit (depending on the desired use) and partially screw into place so that the cradle unit is still movable.
3. Position the cradle unit into the ideal position then tighten the screw fully to secure.
4. Connect the wireless charger unit and car adapter using the Type-C connector cable included in the pack.

5. To insert your device, place it near the charger unit and the lever will automatically open and grip your phone.

6. To remove your device press the On-Off button on the left and right at the same time, the clips will automatically open.

7. When charging mode, the LED indicator light will be a solid blue light. If the LED turns red and flashes rapidly, the charge is not fully function, solid red LED for standby mode.
