Auto Off: Put the earbuds back into the Charging Pod and they will automatically turn off.

03. BLUETOOTH PAIRING

To facilitate a better user experience, pairing between the left earbud and the right one is done automatically.

Pairing between the earbuds and the mobile device:

Take out the earbuds from the Charging Pod, the main earbud (right) will enter into pairing mode automatically (red and green lights on the main earbud flicker alternatively), please then enable the Bluetooth function on your device to search, pair and connect to the EFM® TWS Andes.

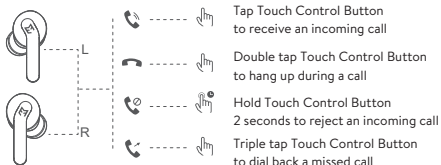

04. ACTIVE NOISE CANCELLATION FUNCTION

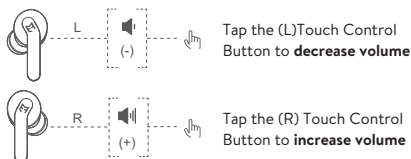

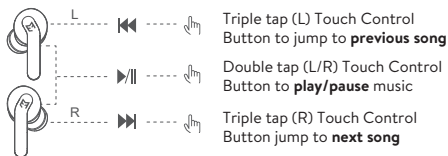

While the two earbuds are in use, hold the Touch Control Button on the Right Earbud for 2 seconds. This will toggle on the Active Noise Cancellation function, doing the same action again will toggle it off. Both actions are preempted by a chime.
