To turn on earbuds, press the button on BOTH earbuds for 5 seconds you will hear 'notification' from both earbuds.

The EFM® 2 Year WARRANTY

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

EFM® will happily repair or replace defective goods for up to 2 years from the date of purchase. This warranty is against defects in the EFM® goods purchased and does not cover damage caused by the incorrect use or installation of the goods, or by modifications, or by accident.

To claim under the warranty, you need to return the faulty product to the place of purchase (at your expense) with a valid proof of purchase. If you are not able to return the product to the place of purchase, you can contact:

EFM Customer Service Department
61 Belmont Avenue, Belmont WA 6104
P: 1300 069 336 (1300 0 MYEFM)
E: info@myefm.com

Important:

The 2 Year Warranty covers EFM® product and not your device. Whilst we stand by our products, EFM® will not be liable to any damages caused to your device from accidental impact. For more information visit myefm.com/warranty-support

CHARGING YOUR EARBUDS AND CHARGING POD:

Fully charge the battery for 3-4 hours before using the earbuds for the first time, or when they have been unused for extended periods. The charging pod has a built-in Power Bank and is charged along with the earbuds. You can charge the earbuds by placing them into the charging pod without connecting to a power outlet.

1. Place the earbuds into the charging pod, the LED indicator on each earbud will be on when charging and turn off when fully charged
2. Connect one side of the supplied cable to the charging port of charging case and connect the other side to any USB power source. The Charging Pod will indicate its charging status by a flashing white light.
3. When the device is fully charged, the LED will stop flashing.

CHARGING STATUS	
Earphones	LED will be disappears when fully charged
Charging Pod	White LED light when fully charged

WEARING YOUR EARBUDS:

The earbuds come with comfortable silicone buds for your everyday use. Try all the different size earbuds that are provided in the package to find the best fit for your ears. You can get the best audio quality when the earbuds seal your ear canal.

NOTE: Your left and right ears may need different size earbuds. Insert the earbuds with the earbuds directed towards your ear canal. Twist gently until they fit comfortably and fell secure in your ears.

CONNECTING EARBUDS TO YOUR PHONE:

1. Take earphone from the charging pod to enter pairing mode.
2. Turn on Bluetooth® on your phone and select EFM Pelion to pair with this earphone.
3. When the earphones are not on the charging box, and earphones are power off. Press the MFB (multi-function button) on both earphones for 2 seconds to turn on the earphones. The earphones will automatically enter pairing mode
4. After this earphone is successfully paired with your phone, TWS can remember up to three Bluetooth devices. You just need to repeat the above steps to pair with another Bluetooth device. The earbuds will only automatically connect with the last paired Bluetooth device.

AUTOMATIC CONNECTION:

Now you have properly set up your earbuds, they will connect to your phone automatically from now on.

Auto Connect
Earphones are automatically connected to your phone when you pull them out of the charging pod.
Auto Off

Earphones are turned off automatically when you put them into the charging pod.
